Planning & Managing Public Relations Campaigns

Introduction:

Sustained public relations campaigns can help drive strategic organizational change, build public perceptions and drive reputation with key stakeholders. Well planned and executed campaigns are a cost-effective means of changing perceptions and increasing stakeholder value for an organization.

This powerful program takes a Problem Solving approach to the design of PR campaigns. By closely fitting the campaign to core business priorities as well as project objectives campaign design reinforces key messages and organizational strategy. The candidates will develop the skills to design, plan, cost, deliver and evaluate campaigns using the full range of PR media and channels. Case study examples will be used throughout. Action planning for the workplace to put ideas into action is a strong feature of the program. Highlights of the program include:

- Powerful planning tools
