

Cisco CCNA Security (CIS-CCNAS)

Duration: 4 days

Prerequisites

1. Skills and knowledge equivalent to those learned in Interconnecting Cisco Networking Devices Part 1 (ICND1)
2. Working knowledge of the Windows operating system
3. Working knowledge of Cisco IOS networking and concepts

Do you have what it takes? We'll help you decide – Call us to discuss your technical background, experience and qualifications to determine how we can help you succeed in this Readiness course.

Just call us and speak to one of our enrolment consultants.

Course Objectives

The course is based on applying security through the features of Ciscos IOS (Internetwork Operating System). The CCNA Security certification is a required step towards the CCNP Security certification.

Get your Cisco CCNA Security certification in just 4 days and learn more than you could imagine.

During our 4-day Certification Training Program, you will live, learn, and take the exam at one of our state-of-the-art education centres. The curriculum covers:

1. Configuring Cisco routers using IOS Software security features
2. Configuring network devices to restrict access
3. Maintaining the integrity of network traffic
4. Configuring Intrusion Protection on Cisco devices
5. Configuring site-to site VPNs
6. Firewall features on Cisco devices

At Readiness, we know your time is valuable. That's why we give you the opportunity to gain your CCNA Security training and certification in just 4 days. We provide the best conditions for you to learn.

With us by your side, encouraging and guiding you along the way, you can enjoy 4 intense, focused days of quality learning in a distraction free environment. Your expert instructor will be working with Readynezs unique accelerated learning methods, which include our exclusive lecture/lab/review methodology with real life cases putting you in the best possible position to learn and retain knowledge and pass your exams.

Sitting your CCNA Security Course with Readynez, means:

1. You'll get more hours of training per day, allowing you to get CCNA Security trained and certified faster and more cost-effectively than with any other training provider.
2. You will be trained by one of the most expert instructors in the world.
3. You can focus purely on learning in our distraction free environment.
4. Dedicated onsite support and access to your classroom at all hours.
5. The price you pay is all-inclusive and covers all course materials, exams, transportation service, accommodation and meals.
6. The Certification Guarantee allows you to train again for free, if you do not pass first time. You only pay for any exams and labs, and accommodation.
