

AHMED MOHAMED SHAFEEK

CEMENT EXPERT & PROFESSOR & TECH TRAINER

PROFILE

With over 16 years of experience in the cement industry and a PhD in Nanotechnology and Cement Chemistry, I am looking for a company that will utilize my skill set and education

PERSONAL SKILLS

Problem solving & Flexibility &
Communication & Positivity & Excellent
Knowledge of Microsoft Office

LANGUAGE SKILLS

- Native Language in Arabic
- Advanced English in both writing and speaking.

CERTIFICATES

- **Training of Trainers (ToT)**
- **Simulex Trainer**

Date of Birth: May, 26, 1982

Address: Matay City, EL – Minia, Egypt

HOBBIES

Traveling & Fishing & Reading

EDUCATION

Beni-Suef university, Faculty of post graduated for advanced sciences
2017 – 2021

PhD in Construction and Building Material Cement, (cement chemistry)

PhD Publication:

"Influences of calcium sulfate bearing material and zinc oxide nanoparticle on hydration properties of white cement clinker"

Online link: <https://doi.org/10.1016/j.jmrt.2021.02.023>

"Influence of ZnO nanoparticle ratio and size on mechanical properties and whiteness of White Portland Cement"

Online link: <https://link.springer.com/article/10.1007/s13204-020-01444-5>

Beni-suef university, Faculty of post graduated for advanced sciences
2014 - 2017

Master's in (cement manufacturing process and water assessment).

Master Publication:

"The Impact of Cooling Water Types on the Cement Clinker Properties"

Online link: <http://dx.doi.org/10.1016/j.ejpe.2017.04.003>

"The Impact Of Fluctuation Of The Nile River Level On Water Composition"

Online link: <https://doi.org/10.2166/wpt.2017.040>

El – Azhar university, Asuit, Egypt, Faculty Of Science/Chemistry Department
2000 – 2004

Grad: very good

WORK EXPERIENCE

Flsmidth, Yanbu Cement Co, Optimization head, Trainer & coaching
2019–Present

Achieved: optimize the quality with productivity & solving chronic problem

HeidelbergCement group, Egypt (Quality Control Manager) & (Technical Trainer)
2017–2019

Achieved: Utilize my education by applying My Master topic to Improve the early strength of OPC and put recommendation for clinkerization process Tarin many persons in academic and practice field

Italcementi group, Egypt
2014–2017 Clinker production manager
2010–2014 Shift Leader
2006–2010 Kiln and Mill Operator

Canadian Management & Training Institute
