Certified Quality Manager Program

Introduction:

Become the quality expert for your organization. The Certified Manager of Quality/Organizational Excellence (CMQ/OE) professional is ready to make the right quality related decisions at any level of the organization. This is a certification exam preparation or refresher course. This CMQ/OE certification preparation course is presented in a way that reinforces current knowledge, re-introduces applications that may not be used every day, explains the rationale for use, and highlights both multiple choice and constructed response sample questions. Also, candidates will receive course materials and a copy of the CMQ/OE Handbook: Fourth Edition.

Who Should Attend?

Quality Managers, Quality Assurance Engineers and Officials, Project Managers, Production Managers, Production Supervisors, Product Engineers, Inspectors, Line Leaders, Production Operators, Those with responsibility for implementing quality management systems, Those with an interest in quality management systems, those starting their career in quality management, Corporate Managers, Executive Managers, Senior Managers, Middle Managers, Junior Managers, Human Resource Managers, Board of Directors, Entrepreneurs, individuals who desire to reinforce their skills, knowledge, and capacity to understand the CMQ/OE body of knowledge in preparation for taking the 'ASQ' Certified Manager of Quality/Organizational Excellence Examination.

Course Objectives:

By the end of this course delegates will be able to:

- Review the body of knowledge in preparation for the 'ASQ' CMQ/OE examination

- Apply the components of the Body of Knowledge (BOK) to further focus their preparation efforts
- Explain, through discussions, the main concepts in each of the BOK elements
- Refine their thinking approach in preparation for the ‘constructed response’ section of the examination
- Practice sample tests
