Cisco CCNA (Routing & Switching) (CIS-CCNA)

Duration: 6 days

Prerequisites

Before taking the course, learners should be familiar with:

1. **Basic computer literacy**
2. **Basic PC operating system navigation skills**
3. **Basic Internet usage skills**
4. **Basic IP address knowledge**
5. **Good understanding of network fundamentals**

Do you have what it takes? We´ll help you decide – Call us to discuss your technical background, experience and qualifications to determine how we can help you succeed in this Readynez course.
Just call us and speak to one of our enrolment consultants.

Course Objectives

Youll gain the knowledge and skills to install, operate and troubleshoot a small-to-medium enterprise branch network, including basic network security and complex connections.

Get your Cisco CCNA certification training and certification in just 6 days and learn more than you could imagine.

During our 6-day Certification Training Program, you will live, learn, and take the exam at one of our state-of-the-art education centres. The curriculum is divided into two parts:

The first part of your course is the ICND1 (CCENT) curriculum, which covers:

1. **Networking fundamentals**
2. **WAN technologies**
3. **Basic security and wireless concepts**
4. **Routing and switching fundamentals**
5. **Configuring simple networks**

The ICND2 curriculum covers the following to complete your CCNA certification:

1. **Redundant topologies**
2. **Troubleshooting common network issues**
3. **Configuring EIGRP**
4. **Multi-area OSPF in both IPv4 and IPv6**
5. **Wide Area Network technologies**
6. **Device management**
7. **Cisco licensing**

8. **Using Cisco Catalyst switches**
9. **Cisco routers connected in LANs and WANs**

At Readynez, we know your time is valuable. That's why we give you the opportunity to gain your CCNA training and certification in just 6 days. We provide the best conditions for you to learn.

With us by your side, encouraging and guiding you along the way, you can enjoy 6 intense, focused days of quality learning in a distraction free environment. Your expert instructor will be working with Readynezs unique accelerated learning methods, which include our exclusive lecture/lab/review methodology with real life cases putting you in the best possible position to learn and retain knowledge and pass your exams.

Sitting your CCNA course with Readynez, means:

1. **Youll get more hours of training per day, allowing you to get CCNA trained and certified faster and more cost-effectively than with any other training provider.**
2. **You will be trained by one of the most expert instructors in the world.**
3. **You can focus purely on learning in our distraction free environment.**
4. **Dedicated onsite support and access to your classroom at all hours.**
5. **The price you pay is all-inclusive and covers all course materials, exams, transportation service, accommodation and meals.**
6. **The Certification Guarantee allows you to train again for free, if you do not pass first time. You only pay for any exams and labs, and accommodation.**

If youd like to complete your CCNA in smaller steps, you can sit the 2 three day courses Cisco ICND1 (CCENT) and Cisco ICND2 instead.
