Cisco CCNA Service Provider (CIS-CCNASP)

Duration: 6 days

Prerequisites

Due to the intense nature of this course, it is strongly recommended to have 1-3 years of experience in working with Service Provider networks.

Do you have what it takes? We´ll help you decide – Call us to discuss your technical background, experience and qualifications to determine how we can help you succeed in this Readynez course.
Just call us and speak to one of our enrolment consultants.

Course Objectives

This certification demonstrates that you have the skills to configure, implement, and troubleshoot baseline Cisco Service Provider Next-Generation networks. During your training you'll learn to deploy, maintain and improve carrier-grade network infrastructures.

Get your Cisco CCNA Service Provider certification in just 6 days and learn more than you could imagine.

Service provider infrastructures are rapidly evolving, which is why many service providers are transforming from basic network connectivity providers, to providers of intelligent network and managed services. This certification will help you to rapidly and securely deploy fully integrated and personalized:

1. **Voice services**
2. **Video services**
3. **Data services**

During our 6-day Certification Training Program, you will live, learn, and take the exam at one of our state-of-the-art education centers.

At Readynez, we know your time is valuable. That's why we give you the opportunity to gain your CCNA Service Provider training and certification in just 6 days. We provide the best conditions for you to learn.

With us by your side, encouraging and guiding you along the way, you can enjoy 6 intense, focused days of quality learning in a distraction free environment. Your expert instructor will be working with Readiness unique accelerated learning methods, which include our exclusive lecture/lab/review methodology with real life cases putting you in the best possible position to learn and retain knowledge and pass your exams.

Sitting your CCNA Service Provider Course with Readynez, means:

1. You'll get more hours of training per day, allowing you to get CCNA Service Provider trained and certified faster and more cost-effectively than with any other training provider.
2. You will be trained by one of the most expert instructors in the world.
3. You can focus purely on learning in our distraction free environment.
4. Dedicated onsite support and access to your classroom at all hours.
5. The price you pay is all-inclusive and covers all course materials, exams, transportation service, accommodation and meals.
6. The Certification Guarantee allows you to train again for free, if you do not pass first time. You only pay for any exams and labs, and accommodation.

Looking for a 2 step option? You can also complete your CCNA Service Provider in smaller steps if you'd like. These 2 certification courses equal the full CCNA Service Provider Certification:

CIS-SPNGN1: Cisco: Building Cisco Service Provider Next Generation Networks, Part 1 (SPNGN1) (Cisco CCNA Service Provider - Part 1)

CIS-SPNGN2: Cisco: Building Cisco Service Provider Next Generation Networks, Part 2 (SPNGN2) (Cisco CCNA Service Provider - Part 2)
